DEDICATION

With deep respect and undying admiration, we — the Class of '64, proudly dedicate this edition of the BARRIAN to

Mr. Aurelio Mora

for his untiring devotion to the yearbook and the Senior Class.

Had this modest man known of our intentions, he never would have permitted this dedication.

FATHER MICHAEL BRENDAN LAWLOR

President

Bishop Barry High School
Notre Dame Academy

THE PRINCIPAL'S MESSAGE

". . . We shall pay any price, bear any burden, meet any hardship . . ."

President John Fitzgerald Kennedy,
Inaugural Address

On January 20, 1960, President Kennedy made this pledge to the people of the United States. Three years later he paid the highest price, bore the greatest burden, and endured the final hardship in loyalty to his pledge.

Inspired by his example, let us dedicate ourselves completely to the service of our fellowman.

In our school prayer we say . . .

Dearest Lord, teach us to be generous.
Teach us to serve Thee as we should;
To give and not count the cost,
To give and not heed the wounds,
To toil and not ask for rest,
To labor and not seek reward;
Save that of knowing that we do Thy Will.

It is my confident hope that the students of Bishop Barry High School will choose these ideals and live up to them.

FATHER MICHAEL B. LAWLOR

Principal

Brian,

You are a real good boy and I know that one day very soon your parents and I will be very, very proud of you. Be good and I'll be good to you.

May God Bless you always.

DENNIS RUPPEL

It is fitting that we take this time to pay special tribute to a senior student who has done far more than his share in bringing recognition to the Class of '64. Few realize the time, effort, and devotion he has given to the Senior Class and its projects. We, therefore, the Class of '64 would like to thank DENNIS RUPPEL and congratulate him on a job well done.

RELIGIOUS LIFE

Here at Bishop Barry High School special emphasis is placed on our spiritual life. Through our religious classes, our weekly Missa Recitata, and our annual Holy Week Retreat, the Church's insistance that we develop our faculties for our own well being and for the benefit of society constantly surrounds us.

However, the student's obligation to attend Mass is fulfilled every Sunday in their own parish church.

SCHOOL SACRISTANS

The highest and most honored position that a student may hold at Bishop Barry is that of a Sacristan. It is the duty of the two sacristans to prepare the altar for Mass. In doing this they are privileged to handle the sacred articles used in the Mass. They also assist in many religious and school functions.

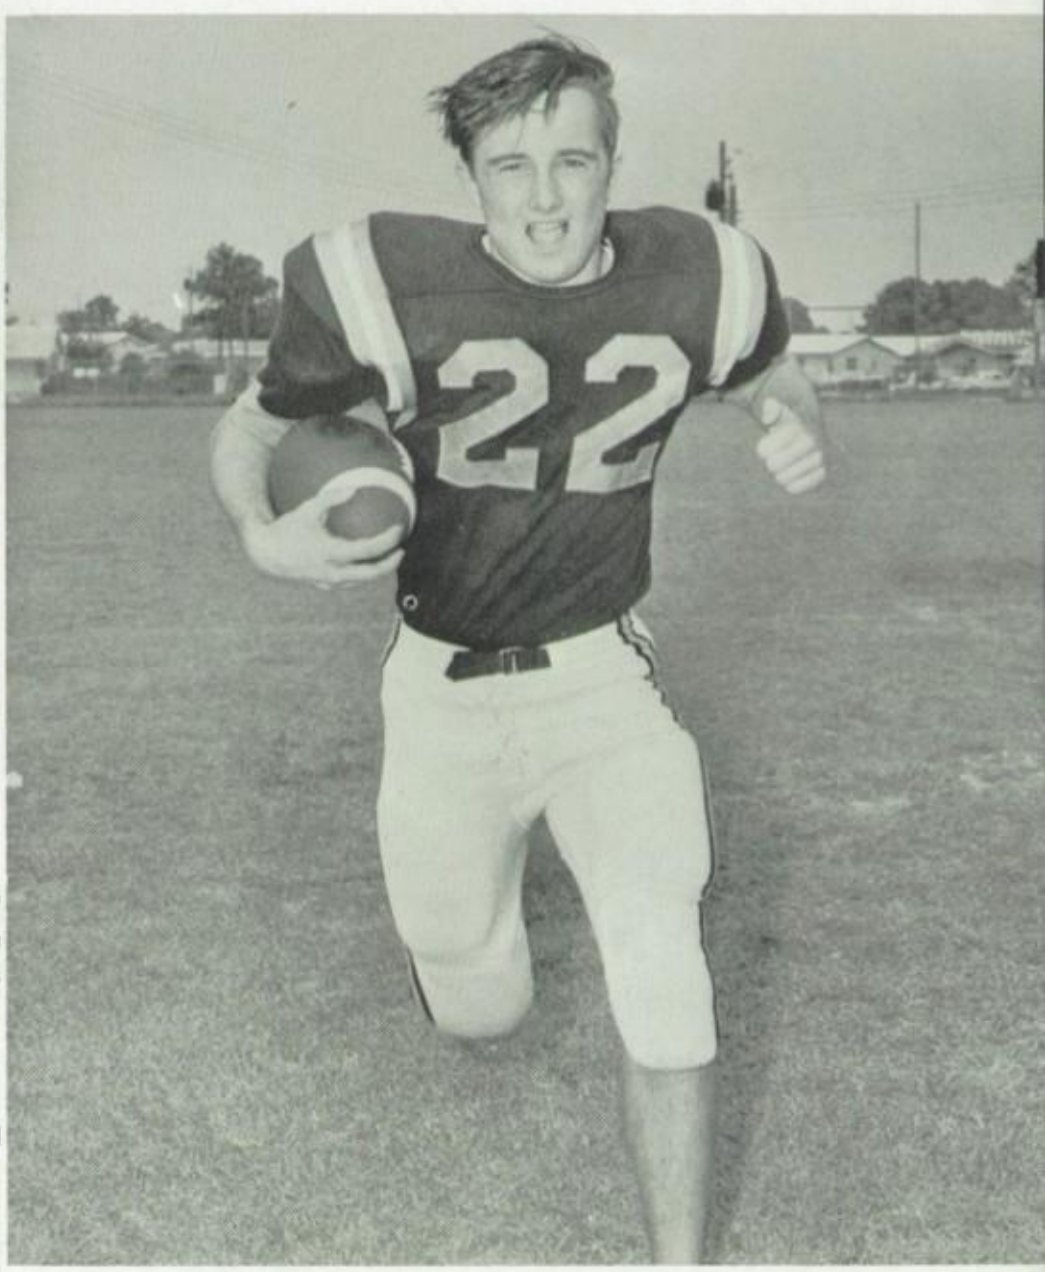
Bob Hudgins, halfback.

This was Bob's last year at Barry as a halfback. His senior year has shown some great broken field running and good speed. Barry is losing a fine back upon his graduation.

Art McQuillen, captain, center

As a senior Art ends three years of football this season. He started his junior and senior year at offensive center and also defensive end. He could be seen game after game making tackles all over the field.

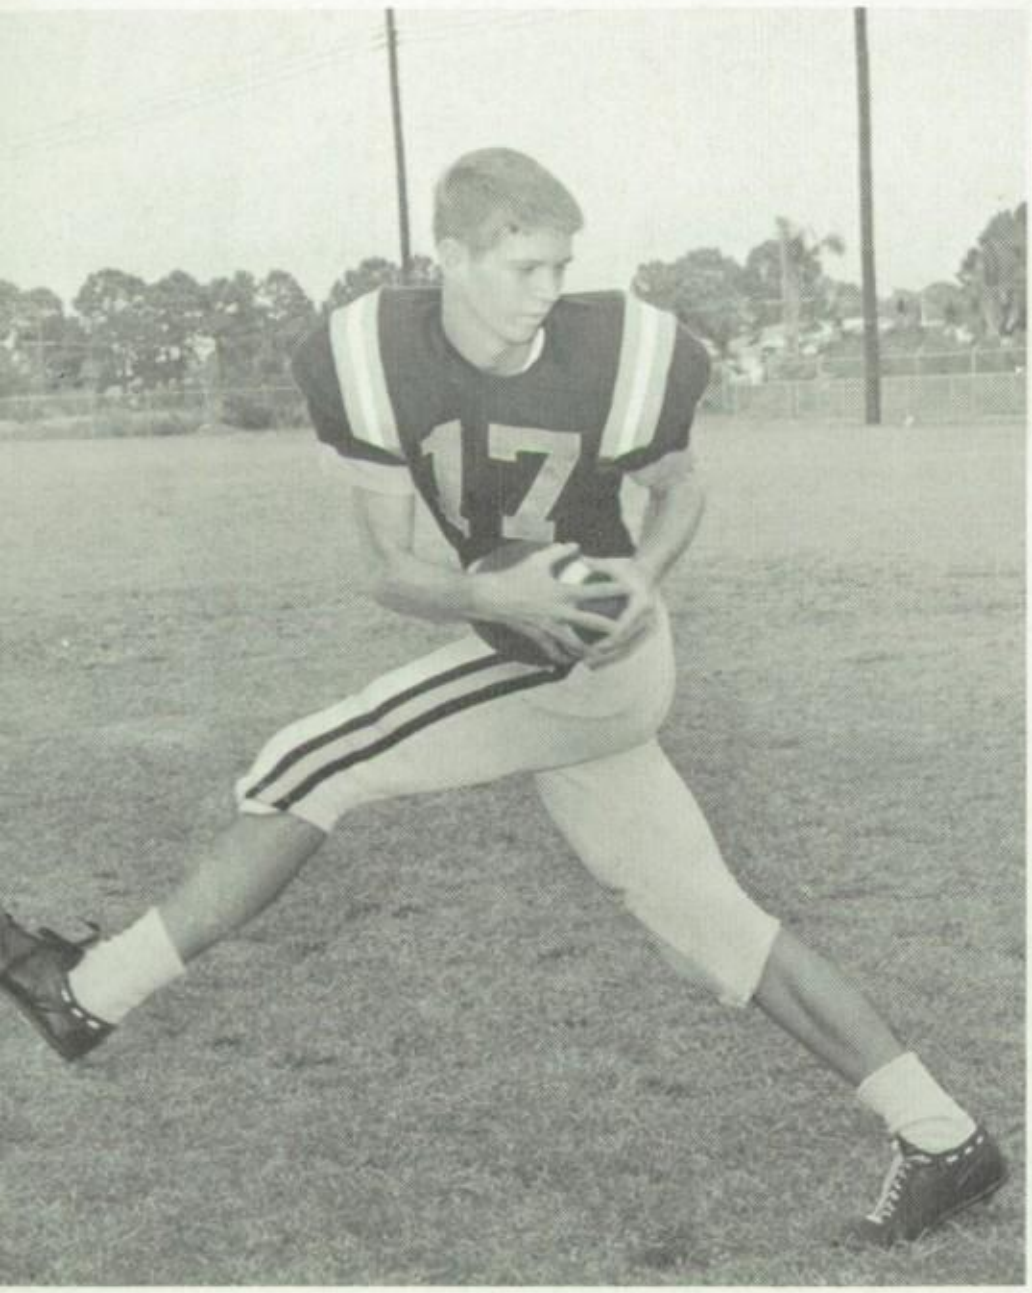


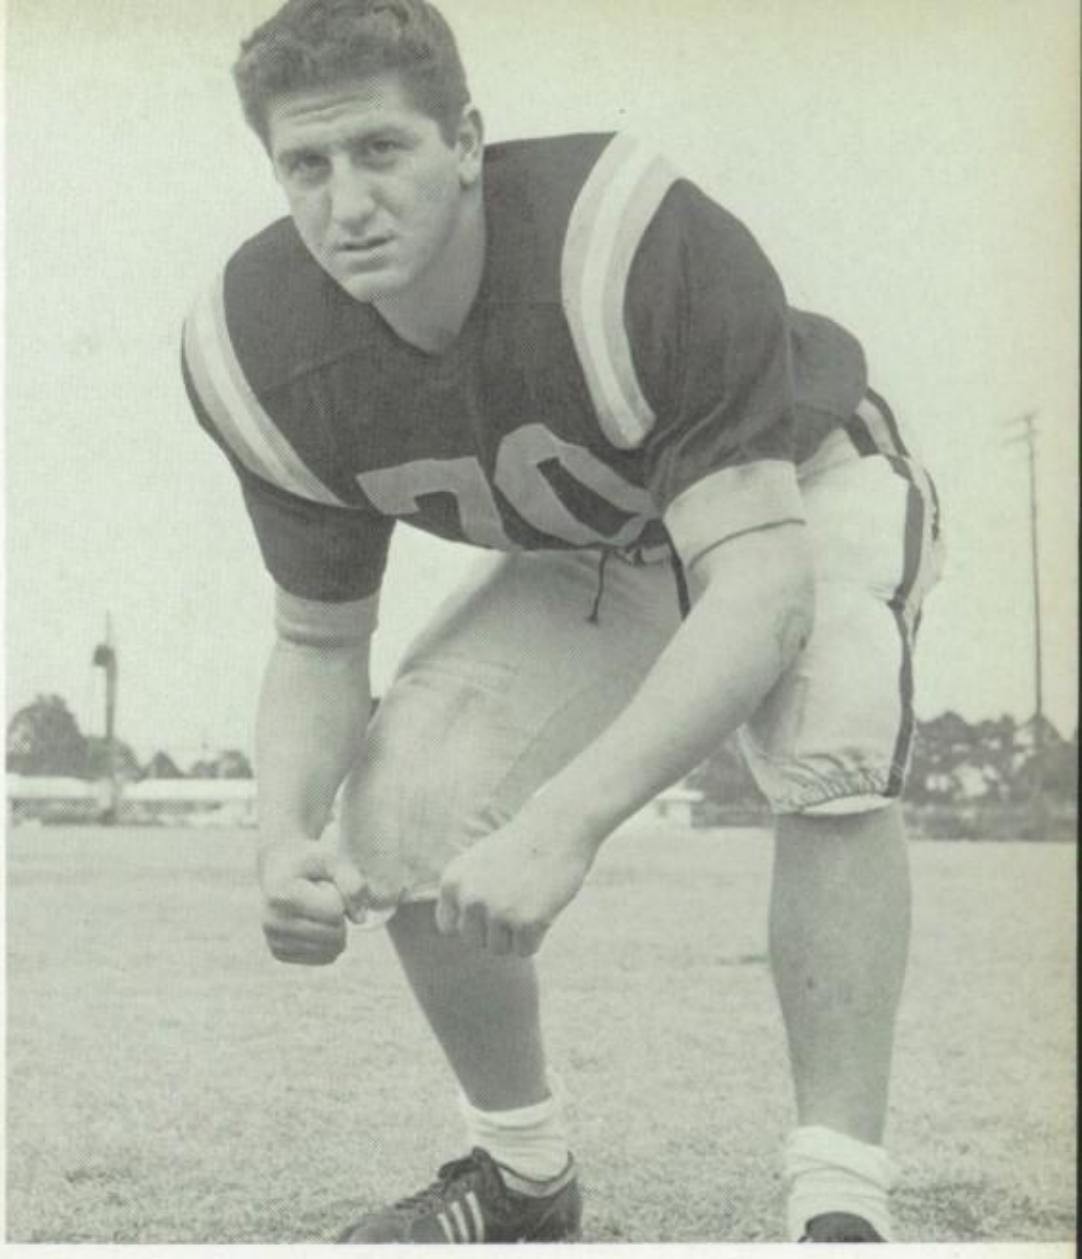
John Richmond, end.

John came to Bishop Barry his junior year from Kodiak, Alaska. As a junior he showed great potential at his offensive and defensive end position. His senior year John started as first string left end. He helped Barry gain many valuable yards through the year at this position. John could also be seen in the defensive secondary.

John Marrocco, tackle.

John has played football at Barry since his sophomore year. He has seen a great deal of action as Barry's starting left tackle on offense and defense.



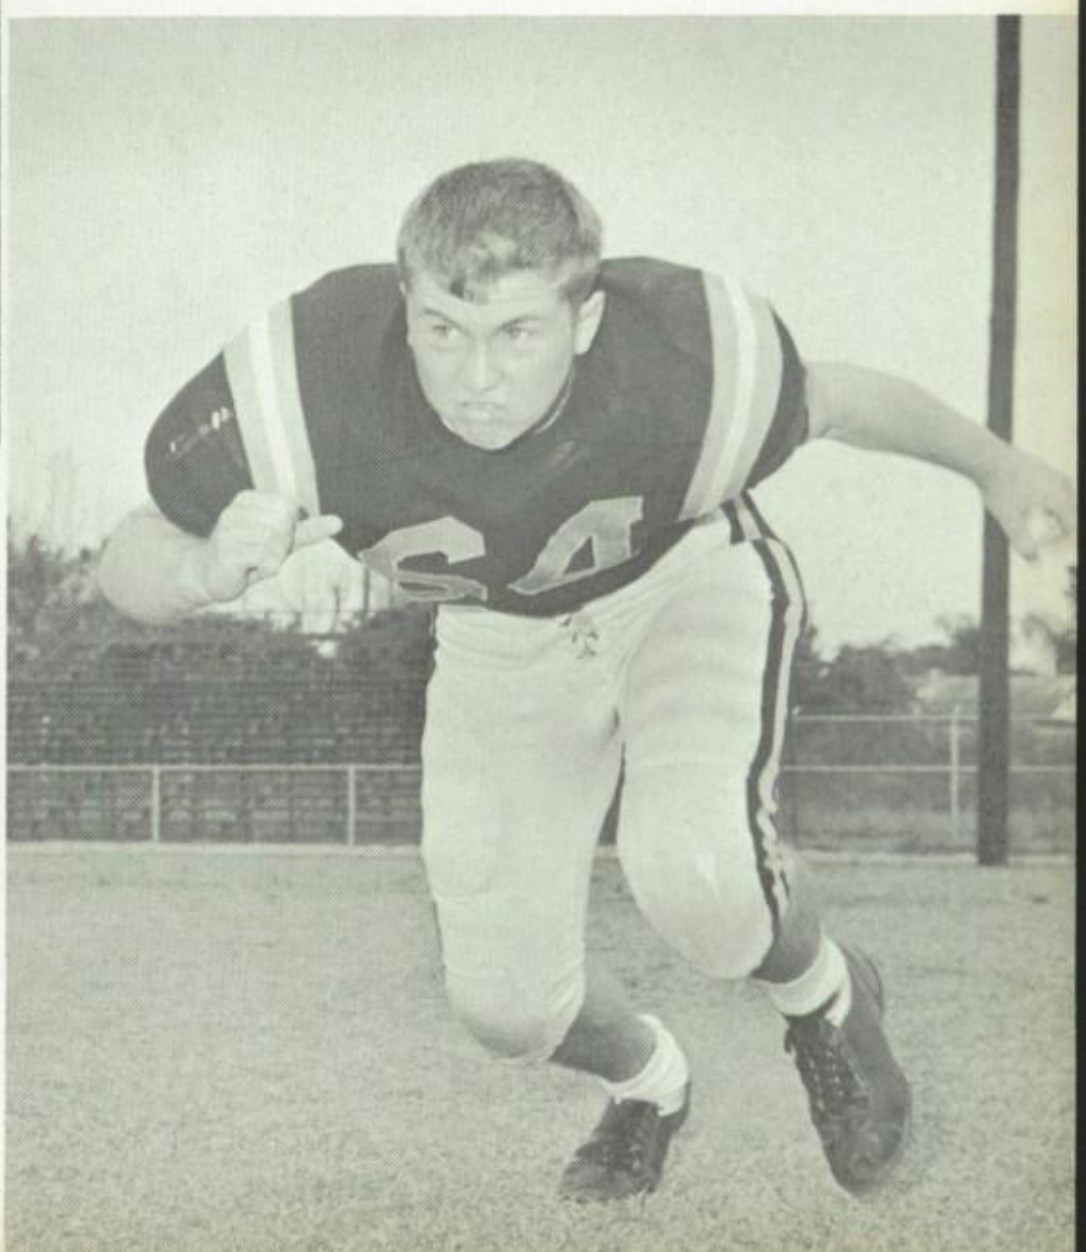


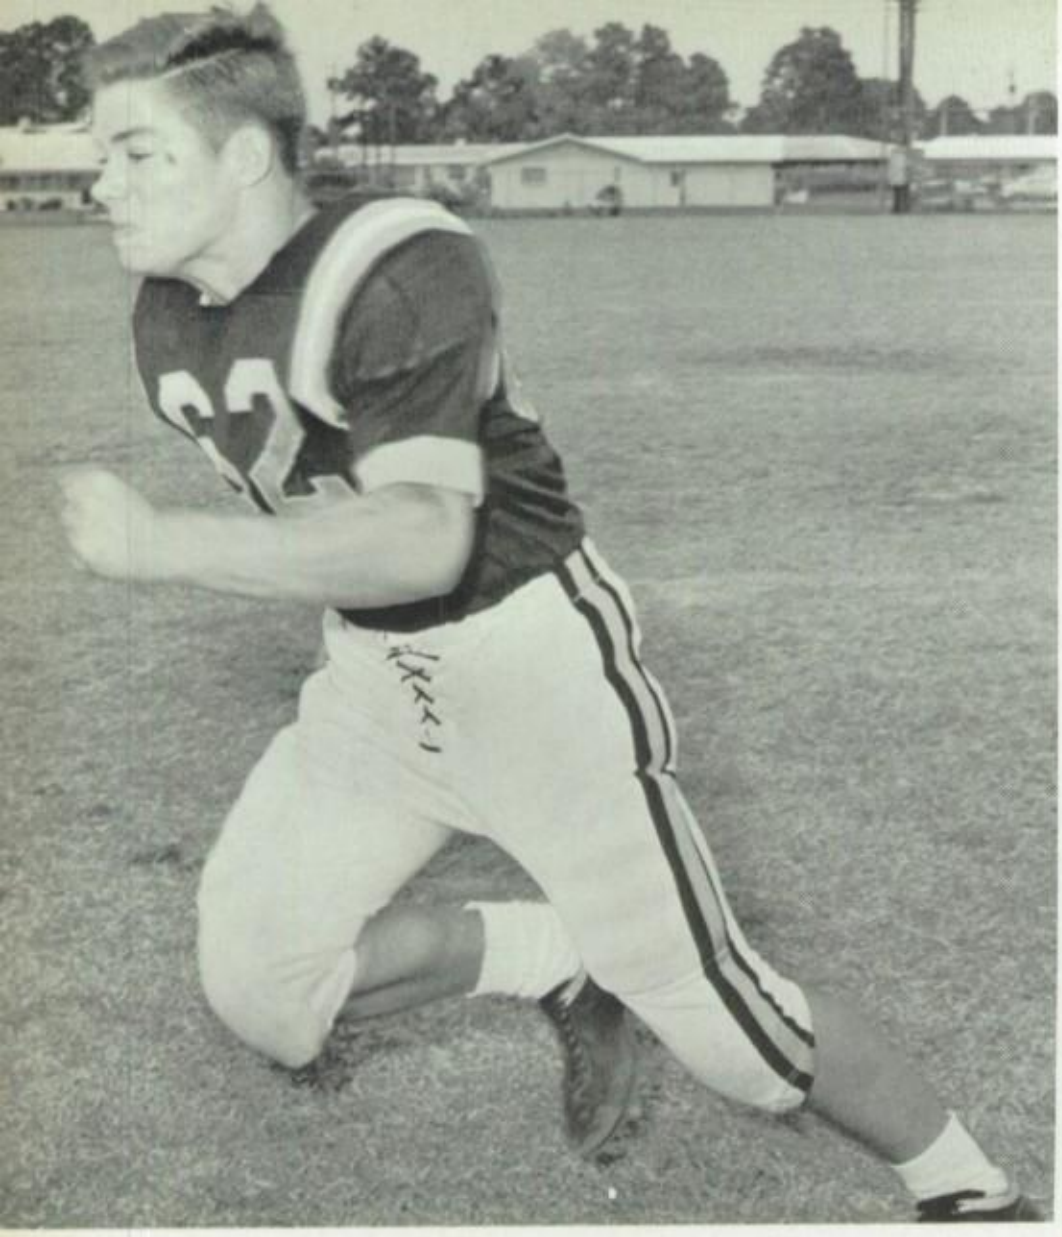
Tom Davis, halfback

Tommy has now had three years of football experience at Barry. His fine running and blocking did much for the Barry backfield. A lot will be gained with Tommy's return next year.

Greg Fries, guard.

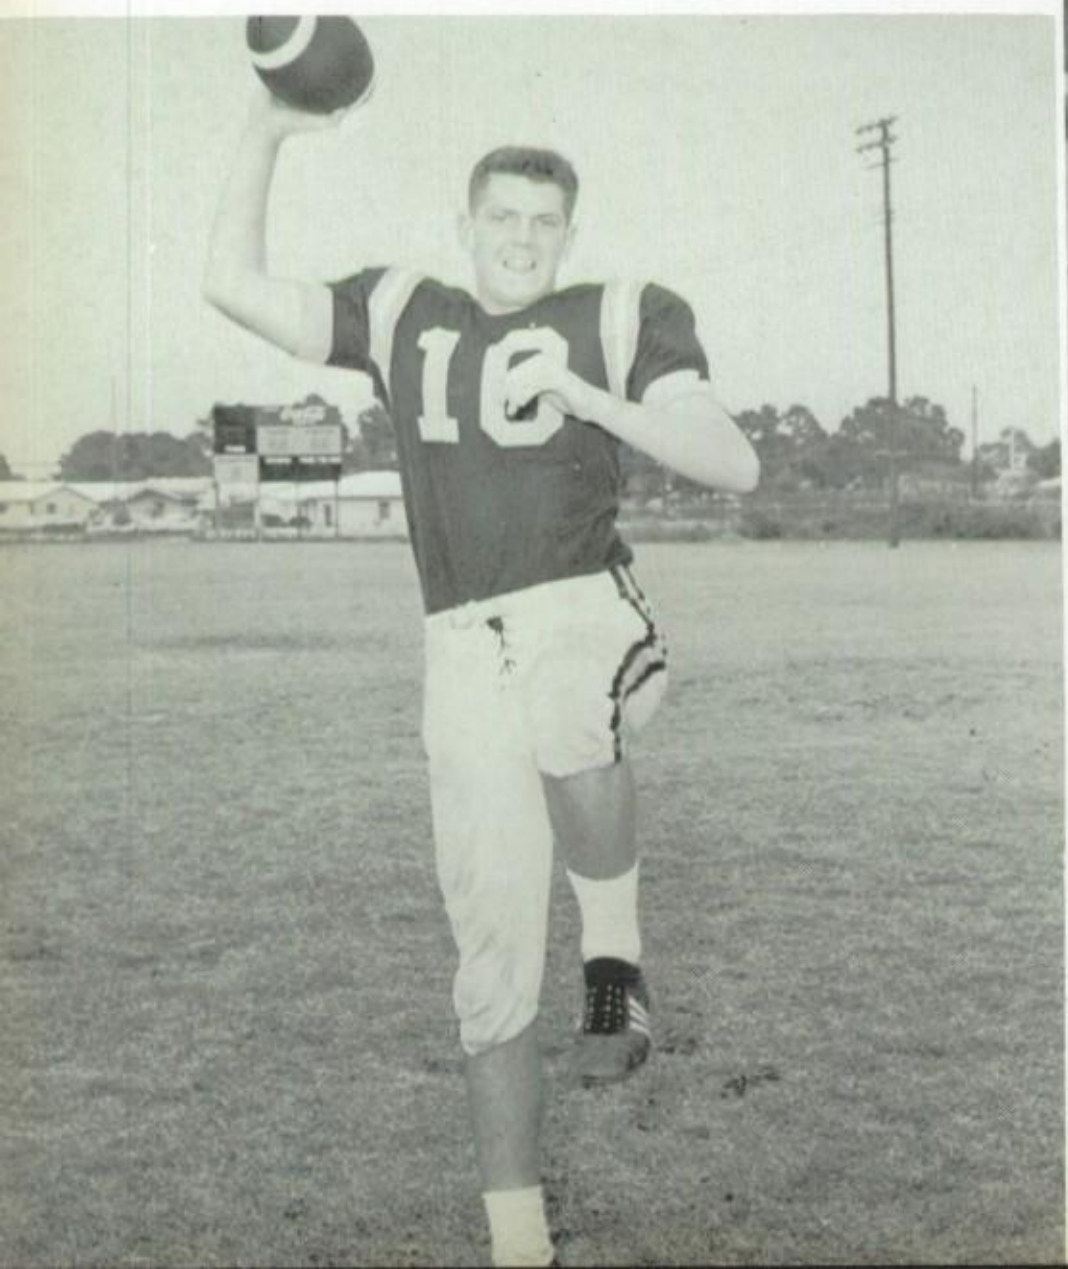
A junior this year Greg started at left guard. Good offensive blocking and fine defensive skill have proven Greg to be an outstanding ballplayer. He will be a fine asset to Barry's team next year.





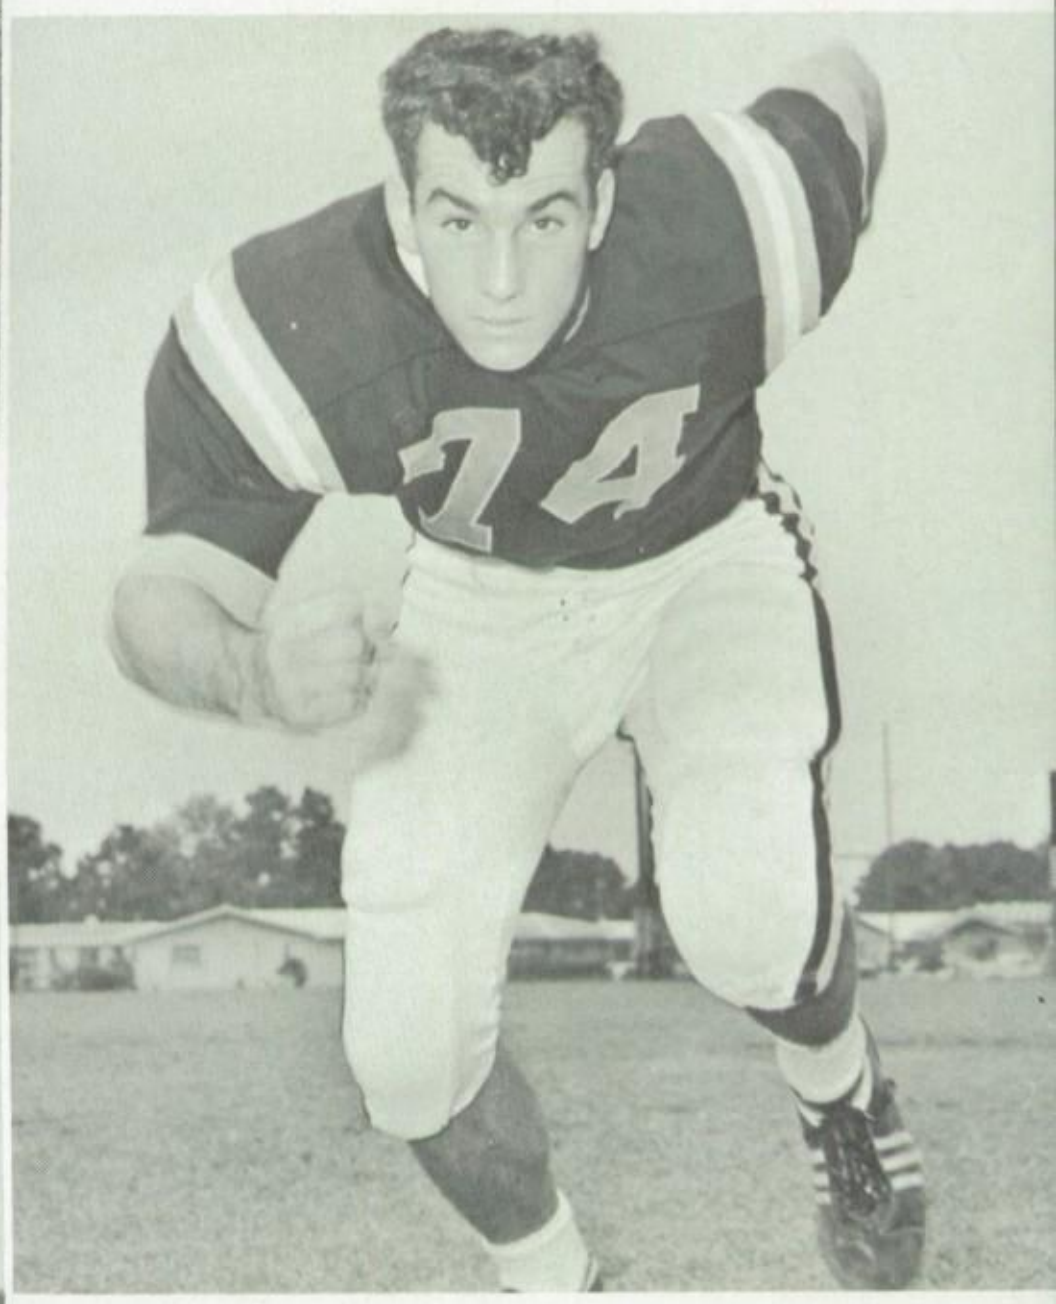
Bob Younis, tackle.

As a sophomore this is also Bob's second year on the team. Starting this year at offensive and defensive tackle Bob did a fine job. Barry will be lucky enough to have Bob's experience and aggressiveness for two years to come.



Ken Frisbie, guard.

Ken, although only a sophomore, secured the right guard position and did a fine job. This is his second year as a letterman in football. On defense he played linebacker and could be seen making many bone-crushing tackles.



Stan Kmet, quarterback

Barry's first string quarterback and only a sophomore. Stan did a fine job passing this year. People will hear a great deal about Stan during his next two years at Barry.

Jack Harrison, end.

This will be the second year Jack has played a starting position for Barry. As a junior he played defensive and offensive end with great skill. He will be seen again next year adding experience and good blocking to the team.

Kerry Helinger, fullback.

The only freshman fullback in the city Kerry did a yeoman-like job at this position. Hard running was not lacking at Kerry's position. His potential and experience will add a lot to Barry next year.

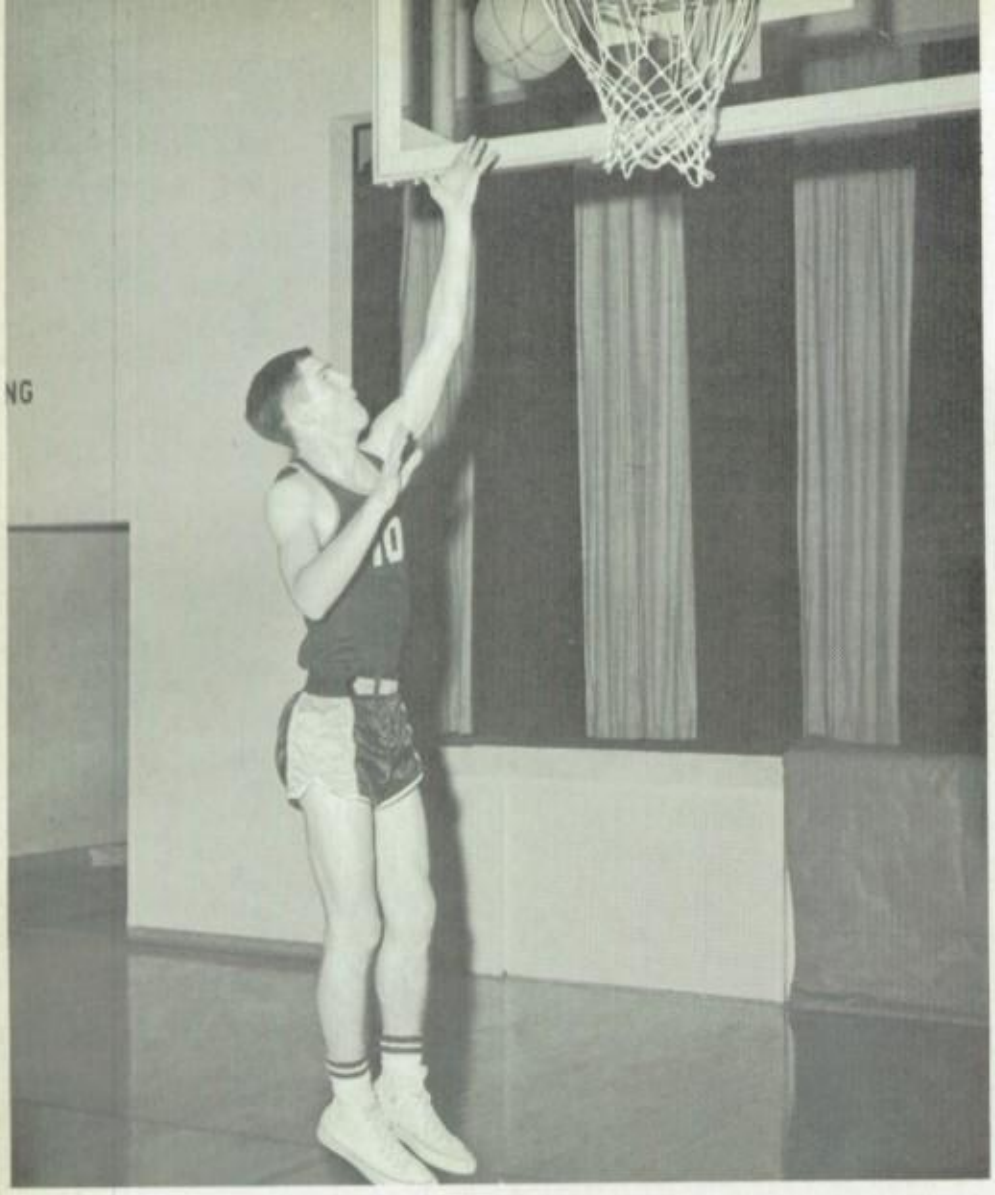
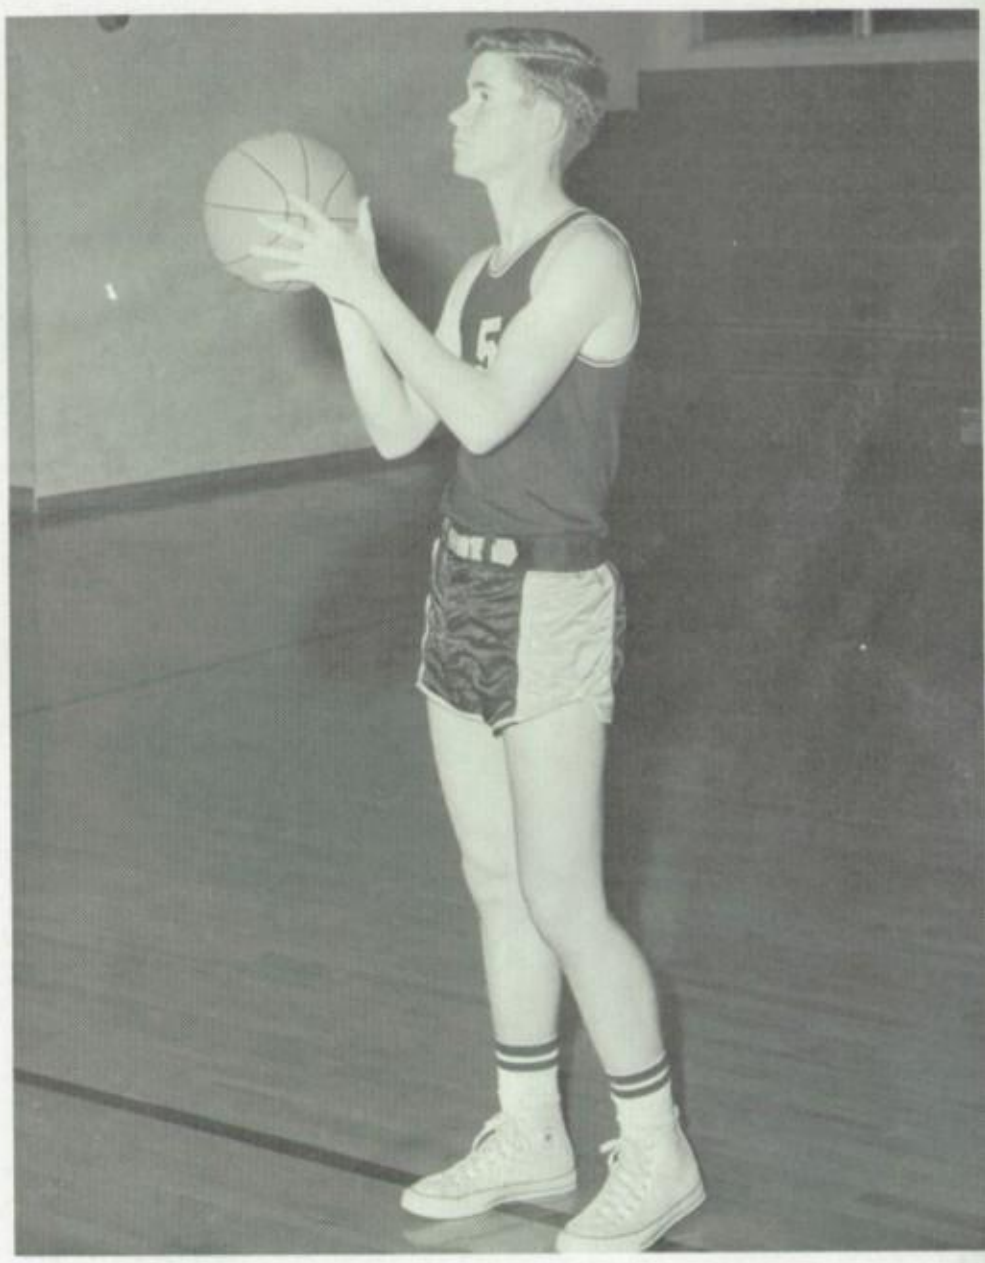
Ross Mason



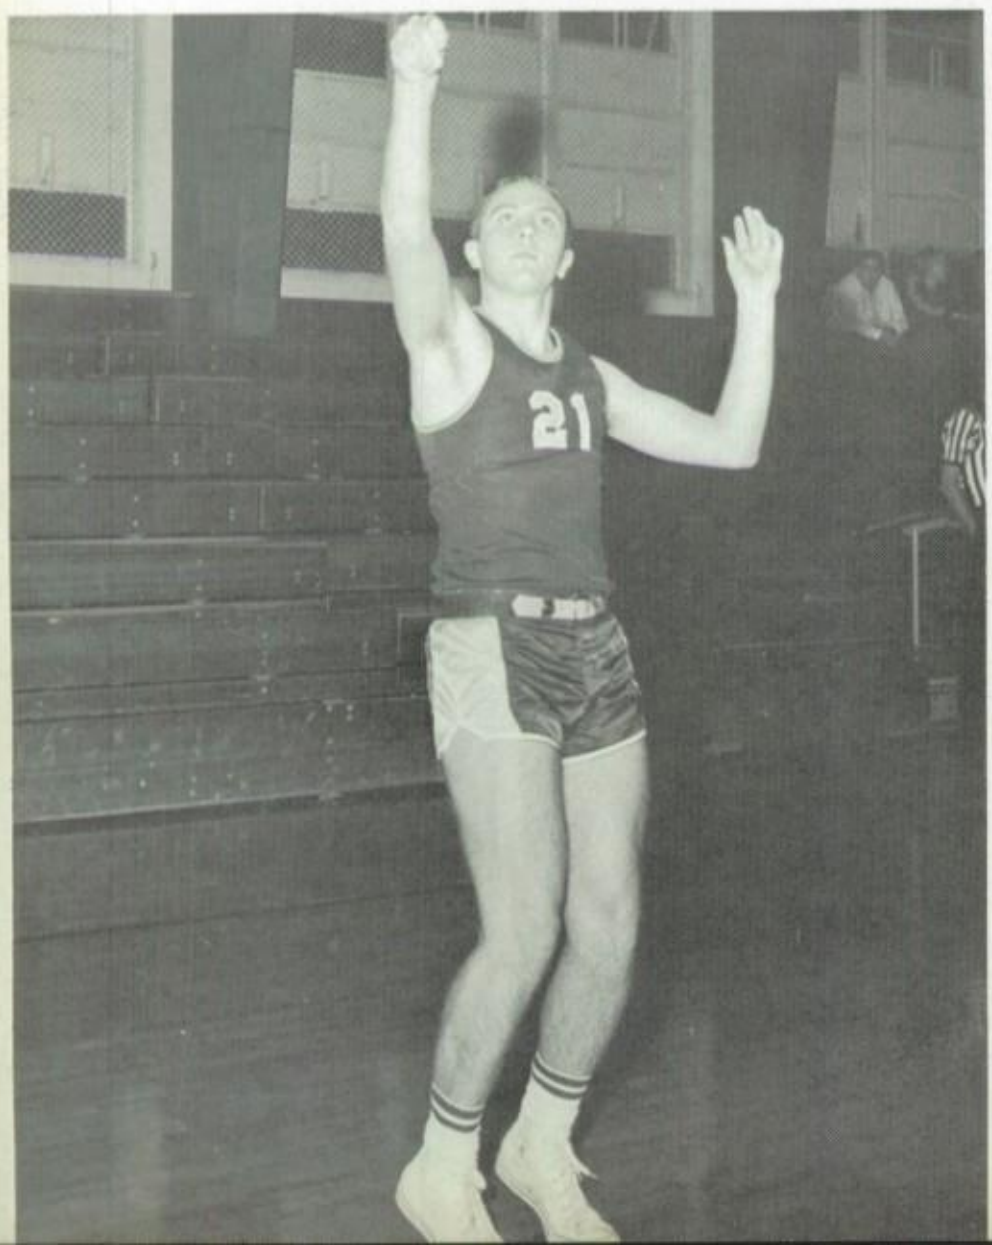
Jim Phillips, captain, guard

Jim started in right where he left off last year, showing the form which made him an all-conference selection. As captain, Jim was the team leader and could always be counted on for the sure shot.



Brian Burke, guard

Brian, a senior this year, was the other half of Barry's guard duo. The team's playmaker, he teamed with Jim Phillips to give the Baron's a potent fastbreak.

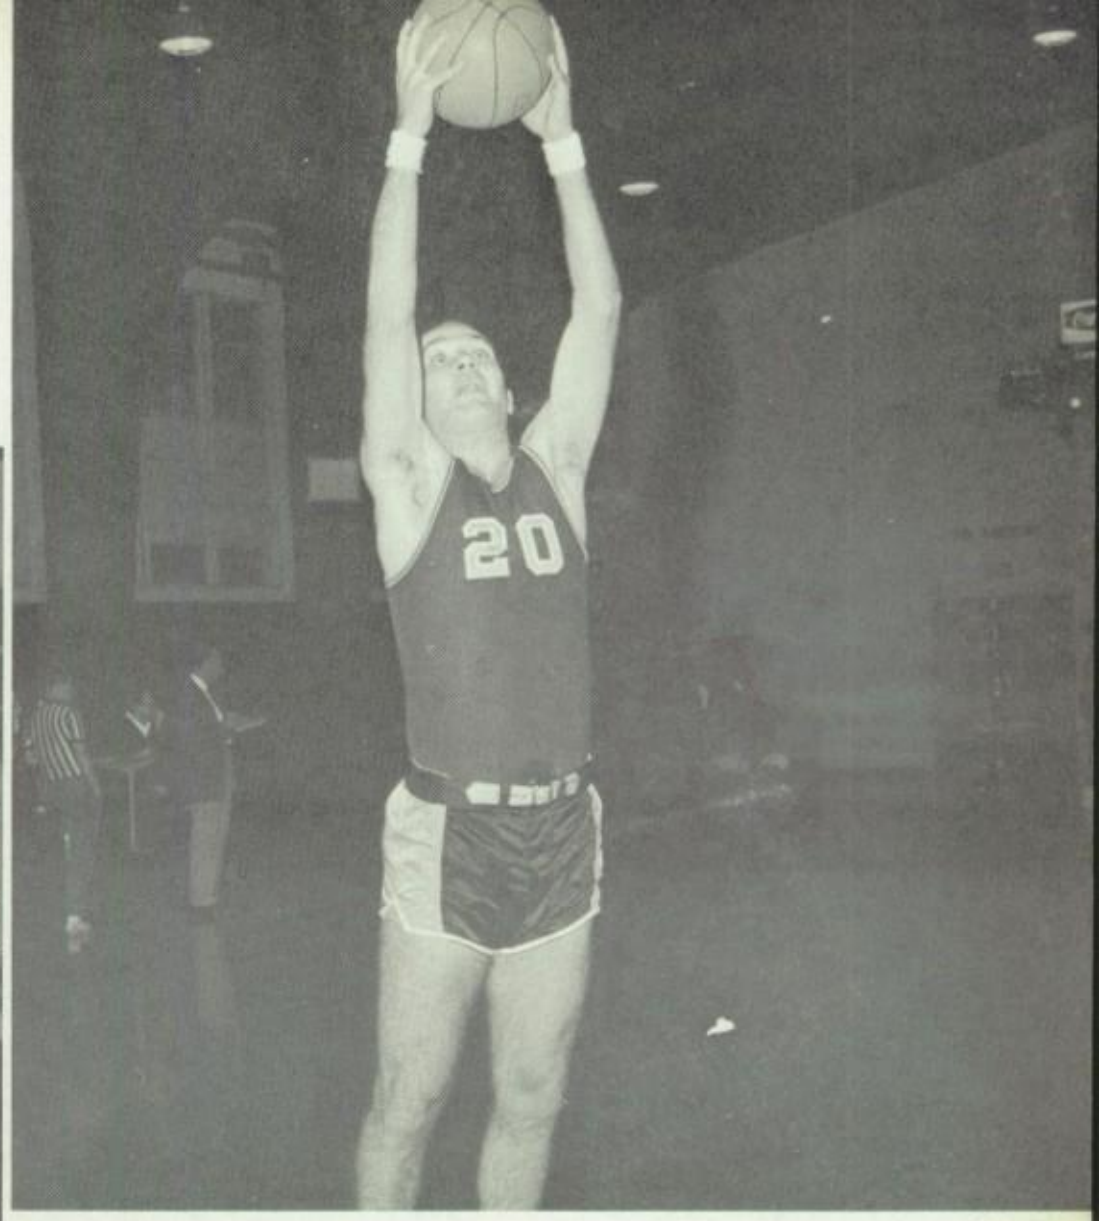


Ross Mason, center

Ross was the team center and worked well from the pivot position. Between his driving shots and his strong rebounding Ross was a good man to have at center.

Bill Murphy, forward

Bill played as hard as anyone on the court. He was consistently strong off the boards, pulling in a majority of the Baron's rebounds. In addition to his rebounding ability, Bill was an important part of the offensive punch.



Jeff Farrell, forward

As a senior forward Jeff was a vital part of the Barry offense. He hit well on the long shot from the side and always came through with the important play.

Jim Phillips

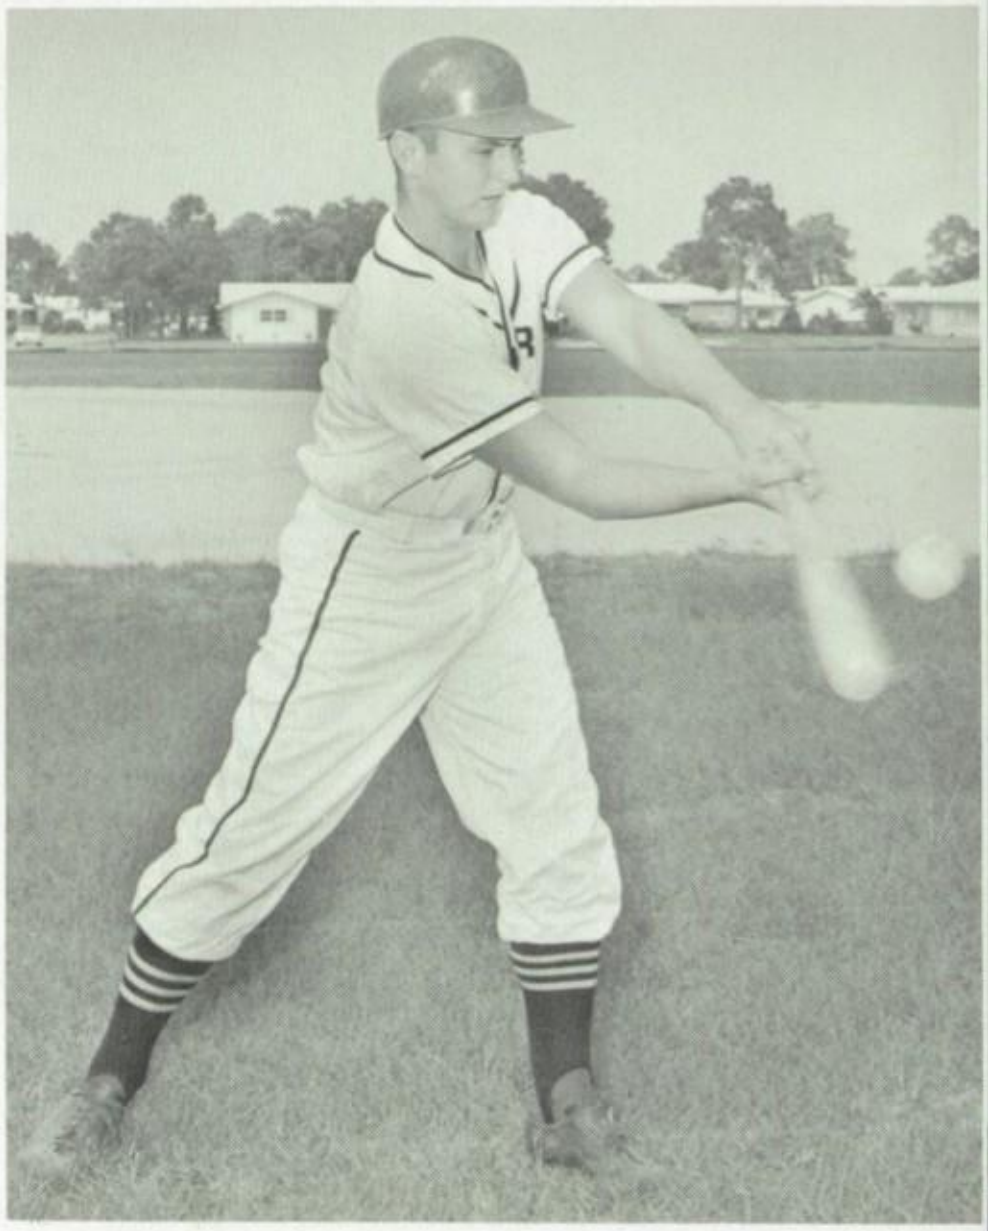
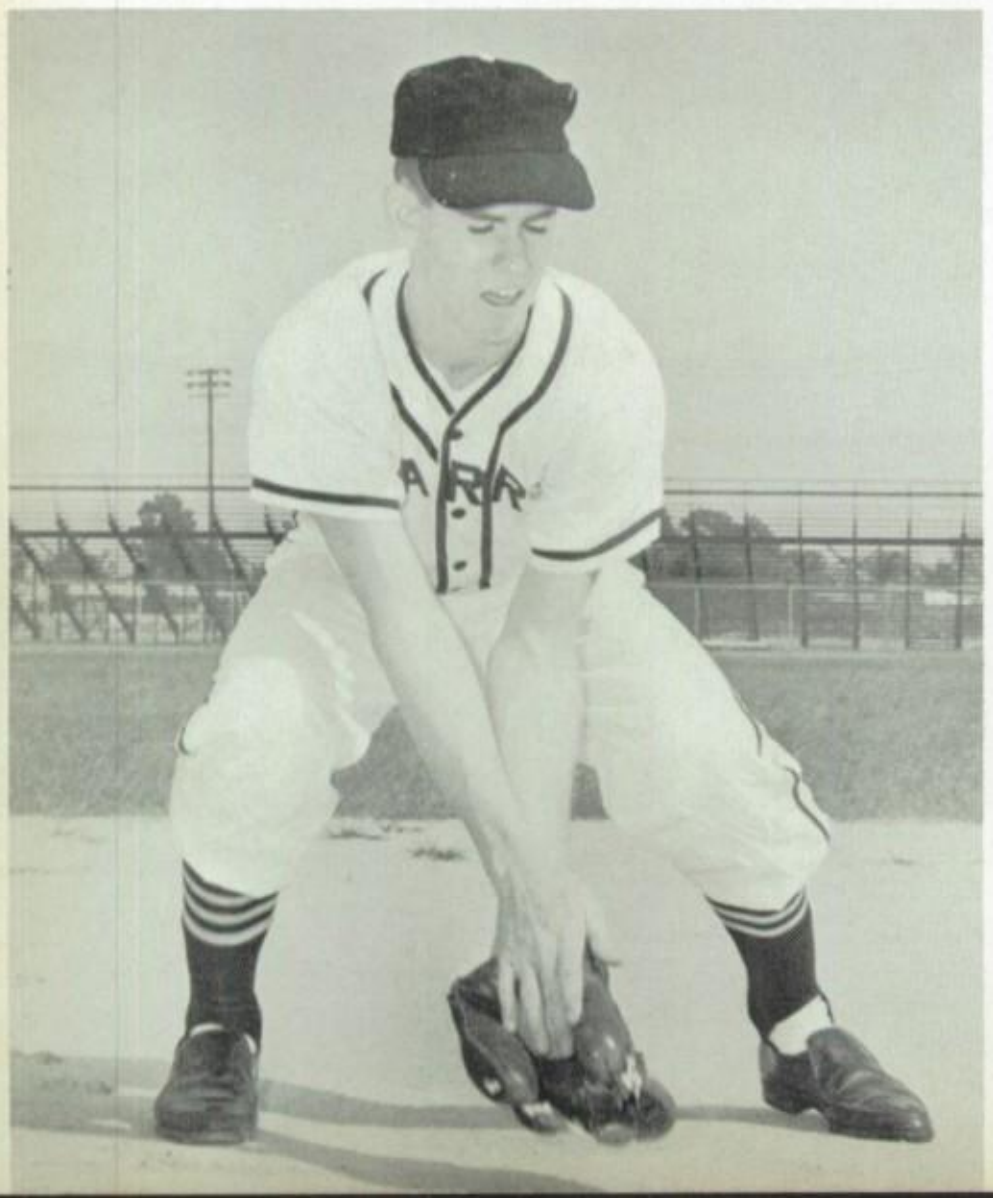
Jim again had a fine season with the Barons, both in the field and at bat. Jim's knack of coming up with the big play at the right time saved many a game for the Barons.



Dave Ratay

"X," as a first year man, broke right into the starting line-up. He not only led the team in hitting but also supplied the much needed long ball.

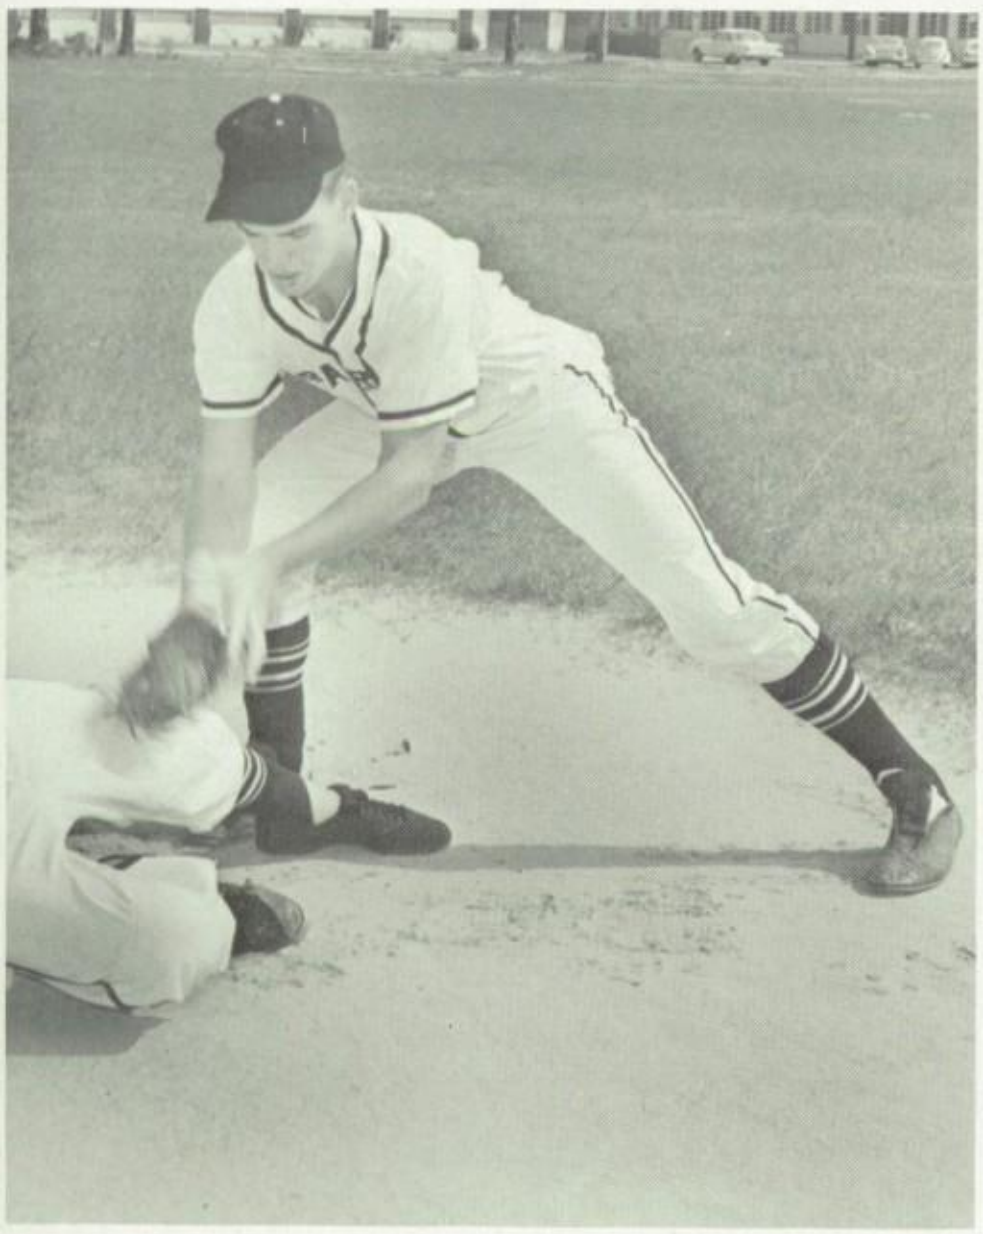


Brian Burke

On the ball field, Brian is known as "Mr. Defense," making a lot of hard plays look easy. He also brought in many key runs with his timely squeeze bunts.

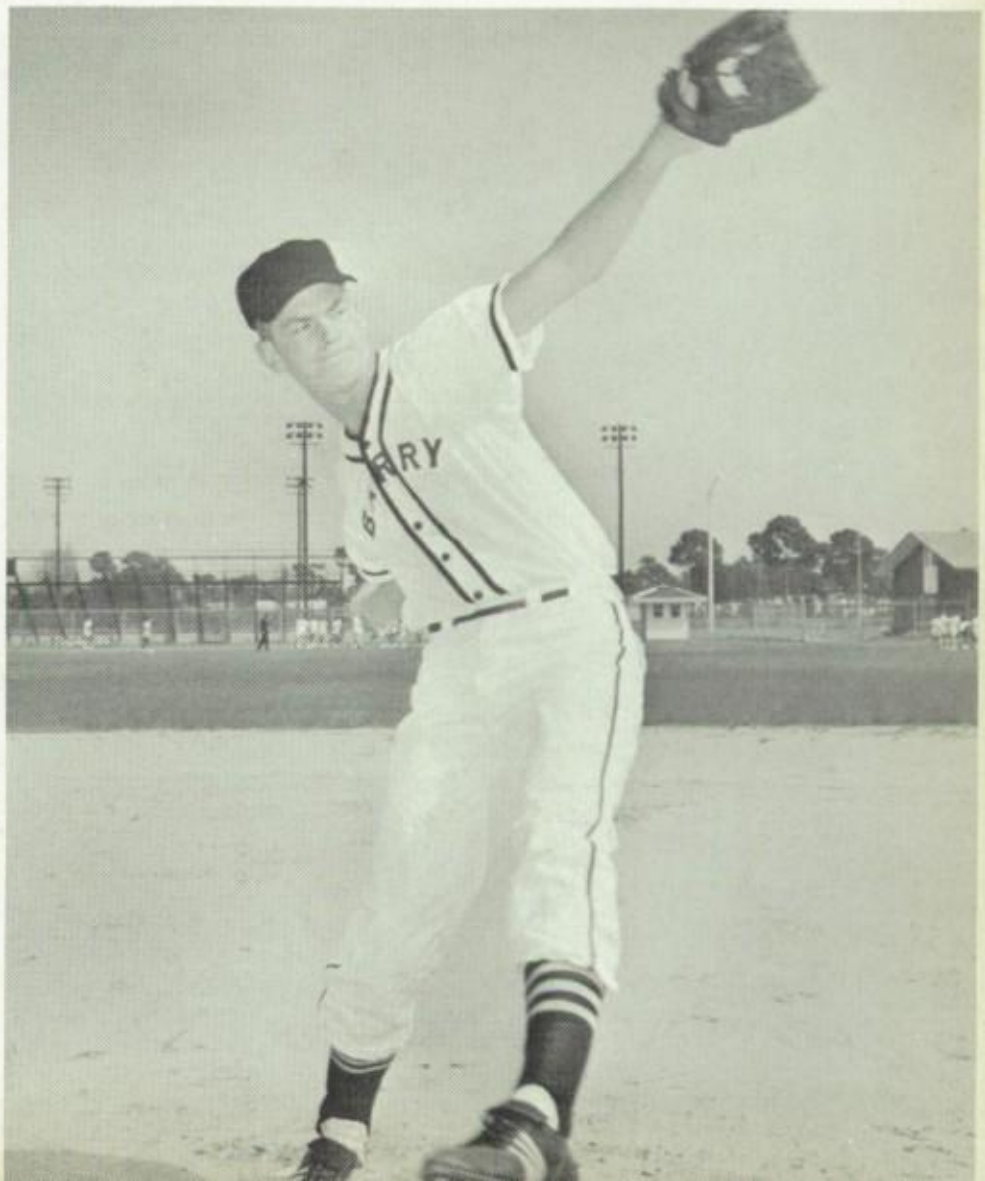
Den Ratay

Last year "O" proved himself to be a top notch receiver. This year he will be counted upon to supply the much needed punch in the catching department.



Jack Harrison

Long ball hitting Jack was a stand-out for the Barons at first base last year. His timely hitting played as important part in many a Baron rally.

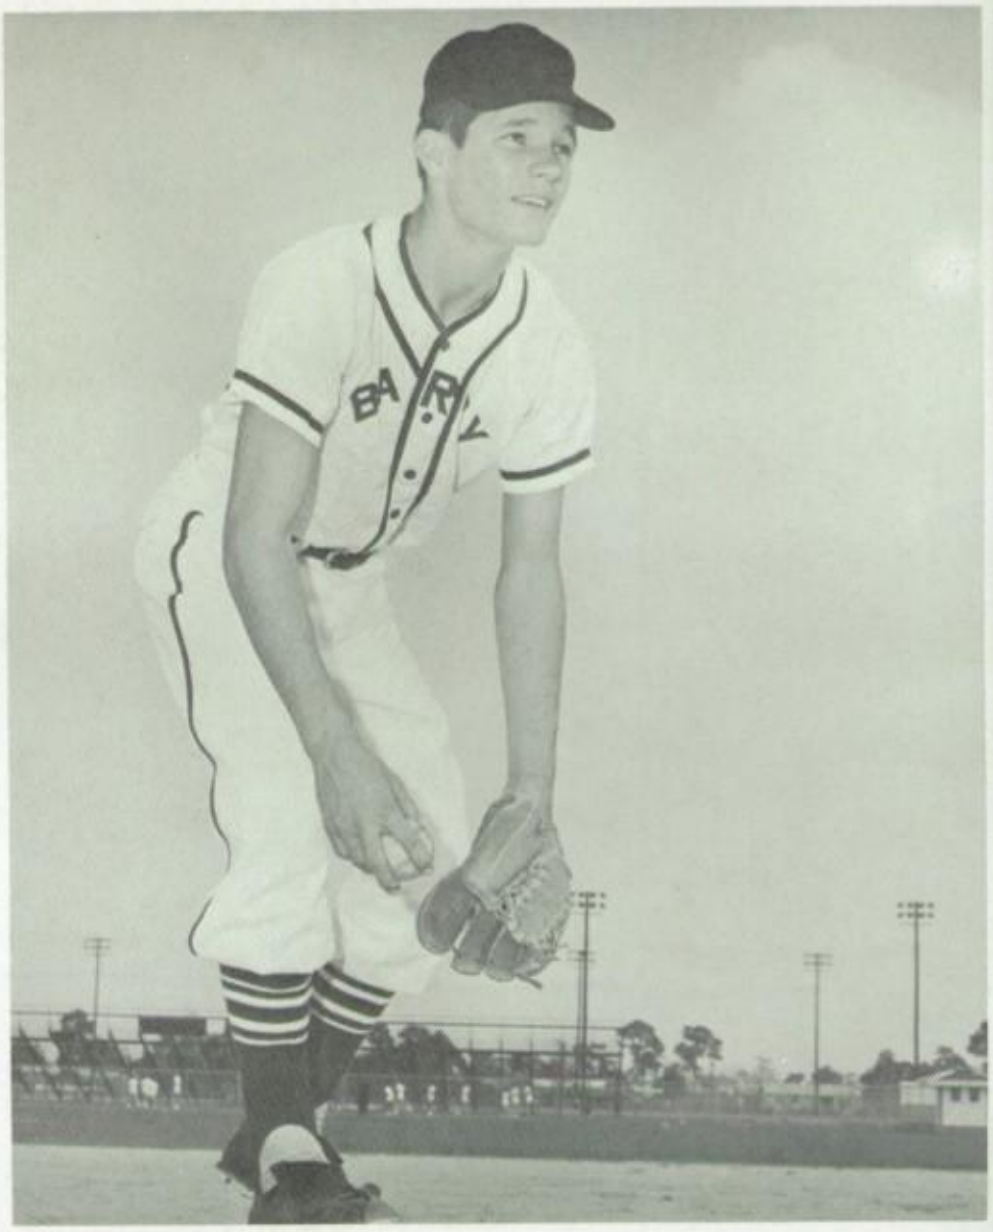


Stan Kmet

As a freshman Stan comprised Barry's pitching staff. Stan pitched every game that Barry won. A proven hitter, this year he will be Barry's key to success.

Tommy Davis

Tom had a perfect record with the Barons last year batting 1.000. His outstanding speed will be a great asset this year both on the bases and in the field.



John Schoeller

Last year John proved his worth as a spot reliever. He showed great potential both as a pitcher and as a hitter. He will be a valuable man on this year's team.

Art McQuillen
Charles Wowak

Although Art and Charles saw only limited action with the Barons last year, they proved to be valuable assets. Both hope to break into the starting line-up this year.

ACADEMY

Dedication

In our deepest appreciation
for your wonderful way of
understanding, patience, warm friendliness
and the sense of humor
We, the Junior Class of
Notre Dame Academy,
Dedicate this, our first annual
to you

Sister Marie Carmel

Faculty

SISTER MARIE CARMEL

Principal

Dear Girls of N.D.A.,

Our second school year is drawing to a close all too quickly. It marks the eve of the completion of our four-year high school since we will welcome our first senior class in September.

This has been a year in which you had another opportunity to better yourselves and to further your education in a Catholic atmosphere. The majority have used this opportunity well and your parents and the faculty congratulate you on your accomplishments.

All of us this year have been deeply grieved at the tragic death of our beloved President Kennedy. We have seen his tremendous influence on peoples of the whole world. Never in history has the death of one man touched so many hearts. Even now — months later — his power seems to continue as new reports come to us concerning his true greatness.

Here at N.D.A., your Alma Mater, you can in a smaller but effective way, adopt some of our late president's principles of action. Just think for a minute what a wonderful school and year, both faculty and students could enjoy, if each girl asked not what her school could do for her, but what she could do for her school.

God bless you.

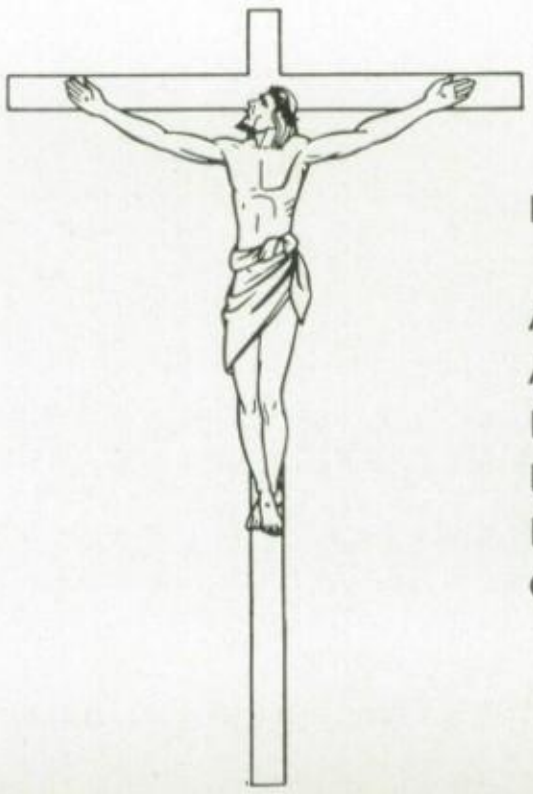
CALVARY CEMETERY

Pinellas County, Florida

The FIRST Catholic Cemetery for all Catholics on Florida's West Coast!

CATHOLIC CEMETERIES ARE PERMANENT SYMBOLS OF FAITH, HOPE, AND LOVE.
THEY DO NOT MARK THE END OF ALL THINGS, BUT THE BEGINNING.



CHURCH LAW
REQUIRES WHERE
POSSIBLE:

"The bodies of the faithful must be buried in a cemetery . . . which has been blessed or consecrated . . ."
(Canon 1205, Par. 1, Code of Canon Law)

"Christian burial truly may be considered an honor which the Church bestows on her faithful children. It is a definite and grave obligation."
